If your card has expired you must take the new provider course. To register for class or for questions please email Carol Saltsgiver. A student book may be obtained from the library.**

ADVANCED CARDIAC LIFE SUPPORT PROVIDER COURSE

EVANS ARMY COMMUNITY HOSPITAL

Students must register for the ACLS provider course through the MEPS system (accessible through the Evans Home Page), or through Mr. Mark Greeder in the S2/3 Education office (526-7540). There will be no walk-on allowed.

At least 30 days prior to attending day 1 of the ACLS course, students will go to S2/3 Education and Training and pick up a welcome letter and the Pre-course Preparation Check list. Then go to the Evans Library and sign for an ACLS provider Manual. In this manual, you will find a CD that will help you during the course. On the CD you will take the Pre-Test; students must *complete this Pre-Test prior* to attending class on day 1. After completing the Pre-Test, bring your test "certificate of completion", and you're filled out *Pre-course Preparation Check list* with you to day 1 of the ACLS provider course.

All Students need to log onto the ARMY CME WEBSITE which can be accessed via the Evans Home Page or: https://apps.mods.army.mil/cmeweb/ and register for this course. After the course you need to log on to this website and complete an *on line course evaluation* - PHYSICIANS: THIS IS HOW YOU WILL GET YOUR CME CREDITS AND CERTIFICATE – *other students: please complete that evaluation also.*

Prior to leaving the course each student MUST:
Turn in ALL course evaluations.
Turn in ALL Lesson Evaluations signed off by the Instructors.
Check out with Dr. Hamilton to see if Remediation/Retesting is needed, pick up your Certificate (NURSES – this is your CE certificate) and receive information regarding distribution of cards. Retesting is to be arranged through Ms. Laurie Isaacson – 525-7964 or email: laurie.isaacson@amedd.army.mil . This must be completed within 2 weeks of the course completion.

The ACLS staff wishes to thank you for your participation in this ACLS Provider Course. We hope it has been enjoyable and has increased your knowledge of acute cardiac and stroke care.

James M. Hamilton, MD
Evans Army Community Hospital
ACLS Course Director

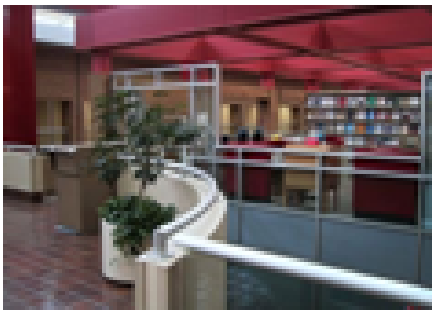
Hours are 0700-1600, Monday-Friday



What's New

Website changes:
The library is in the process of updating our site. Age Specific Resources, Databases, and Patient Information have already been changed. Check back often to see other changes.

Clinical and Consumer Health Articles:
On the bookshelf in front of the library are articles of interest to clinicals staff and patient. These articles are updated daily and weekly. The top shelf are consumer articles and the second shelf are clinical articles. Please feel free to take any information found on this bookshelf.

Database Profile: *National Library of Medicine*

Did you know that the National Library of Medicine maintains a number of free, useful databases? Such as:

Clinical Trials
Patient studies for drugs and treatment

MedlinePlus
Health information for patients, families and health care providers, also in Spanish

TOXNET
Network of databases on toxicology, hazardous chemicals, and environmental health

NIH Senior Health
Easily-accessible age-related health information

Directory of Information Resources Online
Online directory of health organizations

HAZ-MAP
Hazardous chemicals and occupational diseases

Contact the library at 526-7225 or library.each@amedd.army.mil
